

CAUSE NO. 2014-44974

JARED WOODFILL, F.N. WILLIAMS, SR., AND MAX MILLER	§ § §	IN THE DISTRICT COURT OF
V.	§	HARRIS COUNTY, TEXAS
ANNISE D. PARKER, MAYOR, ANNA RUSSELL, CITY SECRETARY, AND CITY OF HOUSTON	§ § §	152 <sup>ND</sup> JUDICIAL DISTRICT

FINAL JUDGMENT

1. On January 26, 2015, this Court called this case for trial. Plaintiffs Jared Woodfill, F.N. Williams, Sr., and Max Miller each appeared in person and/or through their attorneys and announced ready for trial. Each of the Defendants appeared in person and/or through its attorneys and announced ready for trial. The Court impaneled and swore in the Jury, which heard the evidence and arguments of counsel. The Court submitted questions, definitions and instructions to the Jury. On February 13, 2015, the jury returned its verdict and the Court accepted it. The questions submitted to the Jury and the Jury's findings are attached as Exhibit "A" and incorporated into this Judgment by this reference.

2. For the reasons stated in Paragraphs (a)(1)(A), (a)(1)(B), (a)(1)(C), (a)(2), (a)(3), (a)(4) and (a)(5) of the Court's previous Order dated February 20, 2015, which is attached as Exhibit "B" and incorporated into this Judgment by this reference, the Court disregards the Jury's findings in response to Jury Question 1 on the basis that said findings are legally immaterial.

3. For the reason stated in Paragraph (b) of the Court's previous Order dated February 20, 2015, which is attached as Exhibit "B" and incorporated into this Judgment by this reference, the Court disregards the Jury's findings in response to Jury Question 2 on the basis that said findings are legally immaterial. Because the Court disregards the Jury's finding in response to Jury

Question 2, the Court likewise disregards the Jury's finding in response to Jury Question 3, as such finding is legally immaterial.

4. For the reason stated in Paragraph (c) of the Court's previous Order dated February 20, 2015, which is attached as Exhibit "B" and incorporated into this Judgment by this reference, the Court accepts the findings of the Jury in response to Jury Question 4.

5. The Court accepts the findings of the Jury in response to Jury Question 5.

6. For the reason stated in Paragraph (d) of the Court's previous Order dated February 20, 2015, which is attached as Exhibit "B" and incorporated into this Judgment by this reference, the Court accepts the findings of the Jury in response to Jury Question 6.

7. In addition to the findings above, the Court also found that regarding the petitions of circulators who either did not sign the petition or whose signature was invalidated, the signatures on those petitions shall not be valid.

8. Further, and prior to the commencement of the jury trial, the Court granted partial summary judgment on February 4, 2015. Said ruling is attached to this Judgment as Exhibit "C" and is incorporated into this Judgment by this reference. As demonstrated therein, the Court found that the following pages and/or signatures could not be legally counted as follows:

- (a) Pages where the circulator's affidavit was not notarized.
- (b) Pages where the circulator notarized his or her own affidavit.
- (c) Pages where the circulator's name is illegible.
- (d) Signatures that were crossed-out or withdrawn before the petition was submitted cannot be counted as legally valid signatures under Texas Election Code § 277.022(a).
- (e) Signatures that pre-date June 3, 2014, the first day people lawfully could sign the petition under the City Charter.
- (f) Signatures added after the circulator signed the verification.

(g) Signatures of the same person that appear more than once.

9. The Court further finds that the minimum number of required signatures on the Referendum Petition is 17,249.

It is, therefore, ORDERED, ADJUDGED AND DECREED that after applying all of the findings of the Jury and the rulings of the Court, the Court enters this Final Judgment in favor of the Defendants, as the final tally of valid signatures on the Referendum Petition is 16,684 which does not exceed the minimum number of required signatures. The Court therefore finds as a matter of fact and as a matter of law that the Referendum Petition is not valid or enforceable in all respects.

It is further ORDERED, ADJUDGED AND DECREED that all relief requested by Plaintiffs, whether legal or equitable, is hereby denied and that Plaintiffs take nothing on their claims against Defendants.

It is further ORDERED, ADJUDGED AND DECREED that Defendants are each awarded all costs of court. All writs and process for the enforcement and collection of this Final Judgment or the costs of court may issue as necessary.

It is further ORDERED, ADJUDGED AND DECREED that all relief not expressly awarded in this Final Judgment is denied. This Final Judgment finally disposes of all claims and all parties and is appealable.

SIGNED this 17<sup>th</sup> day of April, 2015.

CHARGE OF COURT

Time: \_\_\_\_\_  
Harris County, Texas  
By \_\_\_\_\_  
Deputy

MEMBERS OF THE JURY:

After the closing arguments, you will go to the jury room to decide the case, answer the questions that are attached, and reach a verdict. You may discuss the case with other jurors only when you are all together in the jury room.

Remember my previous instructions: Do not discuss the case with anyone else, either in person or by any other means. Do not do any independent investigation about the case or conduct any research. Do not look up any words in dictionaries or on the Internet. Do not post information about the case on the Internet. Do not share any special knowledge or experiences with the other jurors. Do not use your cell phone or any other electronic device during your deliberations for any reason.

Any notes you have taken are for your own personal use. You may take your notes back into the jury room and consult them during deliberations, but do not show or read your notes to your fellow jurors during your deliberations. Your notes are not evidence. Each of you should rely on your independent recollection of the evidence and not be influenced by the fact that another juror has or has not taken notes.

After you complete your deliberations, the bailiff will collect your notes. When you are released from jury service, the bailiff will promptly destroy your notes so that nobody can read what you wrote.

Here are the instructions for answering the questions:

1. Do not let bias, prejudice or sympathy play any part in your decision.
2. Base your answers only on what was presented in court and on the law that is in these instructions and questions. Do not consider or discuss any evidence that was not presented in the courtroom.

RECORDER'S MEMORANDUM  
This instrument is of poor quality  
at the time of imaging

Ex. A

3. You are to make up your own minds about the facts. You are the sole judges of the credibility of the witnesses and the weight to give their testimony. But on matters of law, you must follow all of my instructions.

4. If my instructions use a word in a way that is different from its ordinary meaning, use the meaning I give you, which will be a proper legal definition.

5. All the questions and answers are important. No one should say that any question or answer is not important.

6. Answer "yes" or "no" to all questions unless you are told otherwise. A "yes" answer must be based on a preponderance of the evidence. Whenever a question requires an answer other than "yes" or "no," your answer must be based on a preponderance of the evidence.

The term "preponderance of the evidence" means the greater weight of credible evidence presented in this case. If you do not find that a preponderance of the evidence supports a "yes" answer, then answer "no." A preponderance of the evidence is not measured by the number of witnesses or by the number of documents admitted in evidence. For a fact to be proved by a preponderance of the evidence, you must find that the fact is more likely true than not true.

7. Do not decide who you think should win before you answer the questions and then just answer the questions to match your decision. Answer each question carefully without considering who will win. Do not discuss or consider the effect your answers will have.

8. Do not answer questions by drawing straws or by any method of chance.

9. Some questions might ask you for a dollar amount. Do not agree in advance to decide on a dollar amount by adding up each juror's amount and then figuring the average.

10. Do not trade your answers. For example, do not say, "I will answer this question your way if you answer another question my way."

11. The answers to the questions must be based on the decision of at least 10 of the 12 jurors. The same 10 jurors must agree on every answer. Do not agree to be bound by a vote of anything less than 10 jurors, even if it would be a majority.

As I have said before, if you do not follow these instructions, you will be guilty of juror misconduct, and I might have to order a new trial and start this process over again. This would waste your time and the parties' money, and would require the taxpayers of this county to pay for another trial. If a juror breaks any of these rules, tell that person to stop and report it to me immediately.

QUESTION 1

Which, if any, of the following Circulators signed and subscribed the circulator's oath in the Referendum Petition?

"Signed" means its plain and ordinary meaning.

"Subscribed" means to sign one's own name beneath at the end of an instrument.

Answer "Yes" or "No" next to the name of each Circulator.

**Presiding Juror:**

1. When you go into the jury room to answer the questions, the first thing you will need to do is choose a presiding juror.

2. The presiding juror has these duties:

- a. have the complete charge read aloud if it will be helpful to your deliberations;
- b. preside over your deliberations meaning manage the discussions, and see that you follow these instructions;
- c. give written questions or comments to the bailiff who will give them to the judge;
- d. write down the answers you agree on;
- e. get the signatures for the verdict certificate; and
- f. notify the bailiff that you have reached a verdict.

Do you understand the duties of the presiding juror? If you do not, please tell me now.

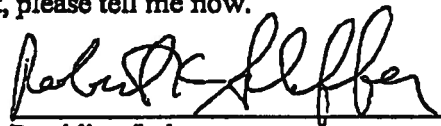

**Instructions for Signing the Verdict Certificate:**

1. You may answer the questions on a vote of 10 jurors. The same 10 jurors must agree on every answer in the charge. This means you may not have one group of 10 jurors agree on one answer and a different group of 10 jurors agree on another answer.

2. If 10 jurors agree on every answer, those 10 jurors sign the verdict. If 11 jurors agree on every answer, those 11 jurors sign the verdict. If all 12 of you agree on every answer, you are unanimous and only the presiding juror signs the verdict.

3. All jurors should deliberate on every question. You may end up with all 12 of you agreeing on some answers, while only 10 or 11 of you agree on other answers. But when you sign the verdict, only those 10 who agree on every answer will sign the verdict.

Do you understand these instructions? If you do not, please tell me now.

ORDER

Time: \_\_\_\_\_  
By: \_\_\_\_\_  
Harris County, Texas  
~~valid Deputy~~

On this date the Court makes the following rulings regarding the counting of valid signatures on the petitions that were the subject of this lawsuit.

The Court orders the following:

- (a) Regarding issues related to whether the petition circulators' oaths were signed and subscribed:
  - (1) Where the name was printed on the line within the oath and signed:
    - (A) if the signature was above the oath, the signature shall be valid;
    - (B) if the signature was below the oath, the signature shall be valid;
    - (C) if the signature was anywhere else around the oath, the signature shall be valid.
  - (2) If there is only a legible signature on the line within the oath, the signature is valid.
  - (3) If there is only a printed name on the line within the oath, the signature is valid.
  - (4) If there is only an illegible signature on the line within the oath, the signature is invalid.

Ex. B

- (5) If there is a signature on the line within the oath and a printed name anywhere around the oath, the signature is valid.
- (b) Regarding Question 2, the Court disregards the jury's answer to Question 2 because the Court finds that it is the duty of the party submitting the petitions to identify the circulators instead of that duty being placed on the City of Houston to go through 5,199 petitions to identify the circulator in question.
- (c) Regarding Question 4, where the evidence indicates that the same person signed his or her own name and then the name of another person or persons, none of those signatures shall be valid because the court cannot determine from the evidence the identity of the person who actually signed the petition.
- (d) Regarding Question 6, notwithstanding any of the above rulings, since the jury found that the following circulators' affidavit oaths were not true and correct, the signatures on the following circulators' petitions which are determined to not be true or correct are invalid:
- Tori Albarquaie, Eric "Tex" Christopher, Cedric Dora, Monica Duplechain, Sandra Flores, Steve Ibarra, Pervis Hall, Wanda Jacobs, Cynthia Payton, Vincent Powell, Murray Williams and Lula Wilson.
- (e) Regarding the petitions of circulators who either did not sign the petition or whose signature was invalidated, the signatures on those petitions shall not be valid.
